Notice of Change of Shareholder Incentive Program

This is to announce that GMO Internet Group, Inc. (the "Company") has made the decision to change the shareholder incentive program with a record date of June 30, 2025, as detailed below.

1. Reason for the Change

As announced on February 12, 2025, the shareholder incentive for the record date of June 30, 2025, was a "cashback for the buying commission pertaining to the purchase of GMO Internet Group, Inc. shares" in a securities trading account at GMO CLICK Securities, Inc. ("GMO CLICK Securities") during the eligible period. In conjunction with the announcement by GMO CLICK Securities on August 5, 2025, to make all stock trading fees free of charge for transactions executed on or after September 1 of the same year, we will change the shareholder incentive program for the record date of June 30, 2025, as described below. We will continue to reward our shareholders primarily through share repurchases and dividends from the perspective of a fair return of profits to all shareholders.
